

Manx Gas, always Putting Your SAFETY 1st

Are you Gas Safe? We are.

At Manx Gas, we take your safety very seriously which is why, from April 1st 2009, ALL our engineers are Gas Safe registered.

The new Gas Safe Register is there to protect you by ensuring your engineer is fully qualified to carry out the work you require. If you believe your engineer is not properly Gas Safe registered, simply call 0800 408 5500 or go to the Gas Safe Register website at www.GasSafeRegister.co.uk

Remember, for your safety, always use a Gas Safe Registered engineer

Gas Safe Register The official industry standard for gas safety

From April 1st 2009, the new Gas Safe Register will replace the CORGI gas registration. Make sure you are using a Gas Safe registered engineer by carefully checking the new ID Card details:

Front: Always check

- The licence number
- The start date
- The expiry date
- The security hologram

Back: Always check

- Your engineer is qualified for the work in hand
- Their qualifications are up to date
